

ICE CUBES WITHOUT TRAYS

Only in SERVEL GAS ICE-MAKER REFRIGERATORS

The Ice-Maker is exclusive in the Servel Gas Refrigerator. It automatically freezes ice cubes without trays and drops them in a basket. You can reach in any time and take one or dozens. The Ice-Maker replaces them automatically without your doing a thing.

Servel's second exclusive feature is silent Gas operation. A tiny Gas flame makes ice and cold... takes the place of a motor and moving parts. Servel's third exclusive feature is a ten-year warranty—twice the warranty offered by any other refrigerator. See a demonstration today at your Servel Gas Refrigerator dealer or Gas Company.

YMCA Plans Program For Youngsters

The Torrance YMCA announced today that they are still taking reservations for the fun-filled Easter vacation trips and activities.

Included in the activities is the annual Torrance YMCA-Lions Club Learn to Swim campaign for boys 8-12. This program is limited to boys who are non-swimmers. Lessons will be given at the Torrance Municipal Pool each morning, Monday through Friday, April 15-29. Classes will contain 40 boys and will run for one-half hour. There will be a total of six classes.

For boys aged 8-12 there is also the San Diego trip. The boys will leave the Torrance YMCA at 6 a.m. on April 18, travel to San Diego, see such sights as Scripps Institute of Oceanography, Navy Air Station, Mission at San Juan Capistrano, and enjoy swimming, camping out at the San Diego YMCA, and lots of sight-seeing. The boys will return about 6 p.m. on April 19.

The next trip is for older boys, 11-16. This is a fabulous three-day trip to Death Valley. The boys will be camping out, sleeping under the stars and enjoying three days of hiking, exploring, campfires, and lots of sight-seeing.
